6. Announcing and Proceeding with the Acquisition

I acknowledge that:

- (a) the release of the Offer Announcement is at Sureserve's absolute discretion and Sureserve reserves the right not to release the Offer Announcement; and
- (b) nothing in this undertaking obliges Sureserve to announce or proceed with the Scheme or the Takeover Offer if it is not required to do so under the Takeover Code.

7. Termination of undertaking

7.1 This undertaking and all of my obligations and undertakings under this undertaking will terminate and cease to have any effect immediately on any of the following occurrences:

- (a) if Sureserve has not, by way of the Offer Announcement, announced a firm intention, under Rule 2.7 of the Takeover Code, to proceed with the Acquisition by 5.00pm London time on 14 May 2025 (or such later date as Sureserve and the Target may agree); or

- (c) the date on which the Acquisition (whether implemented by way of a Scheme or a Takeover Offer) is withdrawn or lapses in accordance with its terms, provided that this paragraph (c) shall not apply where the Acquisition is withdrawn or lapses as a result of Sureserve exercising its right, in accordance with the Takeover Code and the terms of the Cooperation Agreement, to implement the Acquisition by way of a Takeover Offer rather than by way of a Scheme or vice versa; or

- (e) the date on which any competing offer for the entire issued and to be issued share capital of the Target becomes or is declared wholly unconditional (if implemented by way of a takeover offer) or, if proceeding by way of a scheme of arrangement, becomes effective; or
- (f) Sureserve announces, with the consent of the Panel and in accordance with the terms of the Cooperation Agreement, that it does not intend to proceed with the Acquisition and no new, revised or replacement Scheme or Takeover Offer is announced by Sureserve in accordance with Rule 2.7 of the Takeover Code at the same time.

- 7.2 If my obligations in this undertaking terminate, I shall have no claim against Sureserve pursuant to this undertaking and Sureserve shall not have any claim against me pursuant to this undertaking other than in respect of any prior breach of any of the terms of this undertaking.

8. General

- 8.1 Nothing in this undertaking shall constitute an obligation for me, in my capacity as a director of the Target, to take any action which is not permitted by Practice Statement No. 29 issued by the Panel, nor should anything in this undertaking impose any obligations on me in my capacity as a director of the Target which would in any way impede or prejudice my obligations and duties, or fetter my discretion, as a director of the Target, and in particular (without prejudice to the generality of the foregoing) nothing in this undertaking shall restrict my ability as a director of the Target to change my recommendation to shareholders of the Target (if any) in accordance with my duties as a director of the Target. This undertaking is given by me solely in my capacity as a shareholder of the Target.
- 8.2 I acknowledge and agree that if the Panel determines any provision of this undertaking that requires the Target to take or not to take action, whether as a direct obligation or as a condition to any other person's obligation (however expressed), is not permitted by Rule 21.2 of the Takeover Code, that provision shall have no effect and shall be disregarded.
- 8.3 If any of the Shares are not registered in my name and/or are beneficially owned by my spouse, I will procure that the registered holder(s) of those Shares and my spouse act in accordance with the terms of this undertaking.
- 8.4 I acknowledge that, if I breach any of my obligations in this undertaking, damages alone may not be an adequate remedy and that an order for specific performance may be an essential element of any adequate remedy for that breach.
- 8.5 In order to secure the performance of my obligations under this undertaking, subject to and conditional upon the Condition, I hereby irrevocably appoint any director of Sureserve jointly and severally as my attorney and on my behalf to execute and deliver forms of proxy (or other proxy appointment or proxy instructions) and forms of acceptance (or other acceptance instructions in respect of a Takeover Offer), as relevant, and to sign, execute and deliver all other documents and do all such other acts and things as may be necessary for the purpose of giving effect to my obligations under this undertaking. However, the appointment shall only take in the event of my failure to comply with the relevant provisions of this undertaking within the relevant time specified for compliance with such obligation and then only to the extent necessary to give effect to such obligation.
- 8.6 Any reference to a time, date or period in this undertaking is a reference to London time and may be extended by mutual agreement between the parties (subject, where applicable, to the terms of the Cooperation Agreement and/or subject to obtaining Panel or any other necessary consents) but, as regards any time, date or period originally fixed or so extended, time will be of the essence.
- 8.7 This undertaking will bind my estate and personal representatives.
- 8.8 No variation of this undertaking shall be effective unless agreed and signed in writing between each of the parties to it.
- 8.9 In this undertaking:
- (a) a reference to a "Business Day" means a day (other than a Saturday or Sunday) on which banks are generally open in London for normal business;
 - (b) a reference to the "Cooperation Agreement" means the cooperation agreement entered into between Sureserve and the Target on or around the date of this undertaking;

- (c) a reference to a person having an "interest in shares" shall be construed in accordance with the Takeover Code and interpreted by the Panel;
- (d) the expression the "Acquisition" extends to any improved or revised offer announced by or on behalf of Sureserve during the offer period providing that such offer is at a cash price of not less than 87.5 pence per share in the Target, whether voluntary or mandatory, irrespective of how the improved or revised offer is to be implemented and, for the avoidance of doubt, this undertaking will continue to be binding in respect of the Shares in respect of any improved or revised offer;
- (e) the expression "acting in concert" has the meaning given to it in the Takeover Code; and
- (f) any capitalised term used but not defined in this undertaking shall have the meaning given to it in the Offer Announcement.

8.10 This undertaking and any non-contractual obligations arising out of or in connection with it will be governed by, and construed in accordance with, English law.

8.11 The English courts have exclusive jurisdiction to settle any dispute, claim or controversy arising out of or in connection with this undertaking (including a dispute, claim or controversy relating to any non-contractual obligations arising out of or in connection with this undertaking) and I irrevocably submit to the exclusive jurisdiction of the English courts for all purposes in relation to this undertaking.s

FOR IMMEDIATE RELEASE

14 May 2025

**RECOMMENDED FINAL* CASH ACQUISITION
of
KINOVO PLC
("Kinovo")**

**by
SURESERVE COMPLIANCE HOLDINGS LIMITED
("Sureserve")**

(an indirect wholly-owned subsidiary of Sureserve Group Limited)

**to be implemented by means of a scheme of arrangement
under Part 26 of the Companies Act 2006**

Summary and highlights

- The boards of Kinovo and Sureserve are pleased to announce that they have reached agreement on the terms and conditions of a recommended final* cash offer pursuant to which Sureserve will acquire the entire issued and to be issued ordinary share capital of Kinovo (the "**Acquisition**"). The Acquisition is currently intended to be implemented by means of a Court-sanctioned scheme of arrangement under Part 26 of the Companies Act 2006.
- Under the terms of the Acquisition, each Kinovo Shareholder will be entitled to receive:

for each Kinovo Share: 87.5 pence in cash (the "Acquisition Price")
- The Acquisition Price values the entire issued and to be issued share capital of Kinovo at approximately £56.4 million on a fully diluted basis.
- The Acquisition Price represents a premium of approximately:
 - 41.1 per cent. to the Closing Price of 62.0 pence per Kinovo Share on 9 May 2025 (being the last Business Day prior to the commencement of the Offer Period);

- 51.0 per cent. to the volume weighted average Closing Price of 58.0 pence per Kinovo Share over the last month ended 9 May 2025 (being the last Business Day prior to the commencement of the Offer Period);
- 46.2 per cent. to the volume weighted average Closing Price of 59.8 pence per Kinovo Share over the 3 months ended 9 May 2025 (being the last Business Day prior to the commencement of the Offer Period); and
- 43.3 per cent. to the volume weighted average Closing Price of 61.1 pence per Kinovo Share over the 6 months ended 9 May 2025 (being the last Business Day prior to the commencement of the Offer Period).

***Sureserve confirms that the financial terms of the Acquisition are final and will not be increased, save that Sureserve reserves the right to revise and increase the financial terms of the Acquisition if there is an announcement, on or after the date of this announcement, of a possible offer or firm intention to make an offer for Kinovo, by a third-party offeror or potential offeror.**

- Kinovo does not intend to pay a dividend or make any other distribution or return of value between the date of this announcement and the Effective Date. The Acquisition Price assumes that Kinovo Shareholders will not receive any dividend, distribution or other return of value. If, on or after the date of this announcement and on or prior to the Effective Date, any dividend, distribution, or other return of value is declared, made, or paid or becomes payable by Kinovo, Sureserve will reduce the Acquisition Price by the amount of such dividend, distribution or other return of value, in which case any references to the Acquisition Price will be deemed to be a reference to the Acquisition Price as so reduced. In such circumstances, Kinovo Shareholders will be entitled to retain any such dividend, distribution, or other return of value declared, made or paid.

Recommendation of the Kinovo Directors

- The Kinovo Directors, who have been so advised by Canaccord Genuity as to the financial terms of the Acquisition, consider the terms of the Acquisition to be fair and reasonable. In providing their advice to the Kinovo Directors, Canaccord Genuity has taken into account the commercial assessments of the Kinovo Directors. Canaccord Genuity is providing independent financial advice to the Kinovo Directors for the purposes of Rule 3 of the Takeover Code.
- The Kinovo Directors believe that the terms of the Acquisition are in the best interests of the Kinovo Shareholders and accordingly, the Kinovo Directors intend to recommend unanimously that Kinovo Shareholders vote in favour of the Scheme at the Court Meeting and the Resolution(s) to be proposed at the General Meeting, as the Kinovo Directors who are interested in Kinovo Shares have irrevocably undertaken to do (or procure to be done) in respect of their entire beneficial holdings (and, in certain cases, their close relatives' beneficial holdings) of, in aggregate, 5,170,972 Kinovo Shares representing approximately 8.16 per cent. of Kinovo's total issued ordinary share capital as at the close of business on the Last Practicable Date.
- In the event that the Acquisition is implemented by way of an Offer, the Kinovo Directors intend to recommend unanimously that Kinovo Shareholders accept or procure acceptance

of such Offer and to undertake irrevocably to accept or procure acceptance of such Offer in respect of their entire beneficial holdings (and, in certain cases, their close relatives' beneficial holdings) of Kinovo Shares.

Irrevocable undertakings and the letter of intent

- In addition to the irrevocable undertakings from the Kinovo Directors described above, Sureserve has:
 - received irrevocable undertakings to vote in favour (or procure the voting in favour, as applicable) of the Scheme at the Court Meeting and Resolutions to be proposed at the General Meeting (or, in the event that the Acquisition is implemented by way of an Offer, to accept or procure the acceptance of such Offer) from certain other Kinovo Shareholders in respect of a total of 23,167,486 Kinovo Shares, representing, in aggregate, approximately 36.56 per cent. of Kinovo's total issued ordinary share capital as at the close of business on the Last Practicable Date; and
 - a letter of intent to vote in favour (or procure the voting in favour, as applicable) of the Scheme at the Court Meeting and the Resolution(s) at the General Meeting (or, in the event that the Acquisition is implemented by way of an Offer, to accept or procure the acceptance of such Offer) from another Kinovo Shareholder in respect of a total of 1,471,200 Kinovo Shares, representing, in aggregate, approximately 2.32 per cent. of Kinovo's total issued ordinary share capital as at the close of business on the Last Practicable Date.
- Accordingly, Sureserve has received irrevocable undertakings (including those irrevocable undertakings from the Kinovo Directors who own Kinovo Shares) and a letter of intent, in respect of, in aggregate, 29,809,658 Kinovo Shares representing approximately 47.05 per cent. of Kinovo's total issued ordinary share capital as at the close of business on the Last Practicable Date.
- Further details of the irrevocable undertakings (including the circumstances in which they cease to be binding) and the letter of intent are set out in Appendix 3 to this announcement.

Background to and reasons for the Acquisition

- Sureserve is committed to being a partner of choice for the social housing and public sectors, providing solutions for sustainable and affordable heating, full-spectrum compliance services, and energy-saving solutions.
- The Sureserve Group is committed to play a leading role in raising housing standards, tackling fuel poverty, and supporting the national decarbonisation of the UK social housing stock on the journey of providers to get to "Net Zero". Sureserve is grounded in a deep commitment to safety and respect for residents, employees, and the environment.
- To achieve its aims, Sureserve is building a comprehensive range of technical compliance and energy services, enhancing its existing strength in areas such as heating compliance, by accelerating growth in other areas.

- Sureserve believes that the acquisition of Kinovo, with its notable and complementary strength in electrical compliance services amongst others, is a perfect fit for Sureserve's future strategy. The Acquisition will materially enhance the offering to the Combined Group's collective client base, as well as the community that the Combined Group will serve.
- Sureserve views Kinovo as a high-quality business with a demonstrable track record of delivering growth in a critical market. Key highlights of the Acquisition include:
 - Kinovo's strong foundations, as a provider of essential services which are underpinned by increasingly demanding regulations;
 - Kinovo's significant positive impact on the broader ecosystem and its ability to support national and global trends centred around compliance and energy efficiency as well as having Kinovo's broader positive impact on society, local communities, social infrastructures, employees, environment and suppliers; and
 - Kinovo's meaningful potential for transformational growth. Sureserve intends to harness Kinovo's electrical capabilities and expand upon them by expanding from the South East of England to the broader UK market.
- Whilst Sureserve believes that there will be synergies, as described in paragraph 9 of this announcement, to be realised from the Acquisition, Sureserve believes that, under private ownership, with the ability to focus on long-term strategic goals and the right access to capital, Kinovo will be able to accelerate and unlock significant growth as part of the Sureserve Group.

Timetable and Conditions

- It is intended that the Acquisition will be implemented by means of a Court-sanctioned scheme of arrangement of Kinovo under Part 26 of the Companies Act 2006, further details of which are contained in the full text of this announcement (and full details of which will be included in the Scheme Document). Sureserve reserves the right to implement the Acquisition by way of an Offer, subject to the Panel's consent and the terms of the Cooperation Agreement.
- The Acquisition is conditional on the approval of the requisite majority of Scheme Shareholders at the Court Meeting and the requisite majority (or majorities) of Kinovo Shareholders at the General Meeting.
- In order to become Effective, approval of the Scheme must be granted by a majority in number of Scheme Shareholders (or the relevant class or classes thereof) who are present and voting (and who are entitled to vote), either in person or by proxy, at the Court Meeting and at any separate class meeting which may be required by the Court (or, in each case, at any adjournment, postponement or reconvention thereof) representing not less than 75 per cent. in value of the Scheme Shares voted.
- In addition, in order for the Scheme to become Effective, at the General Meeting, the Resolution(s) facilitating the implementation of the Scheme, must be passed by Kinovo Shareholders representing at least 75 per cent. of the votes validly cast at the General Meeting.

- Following the Court Meeting and General Meeting, in order for the Scheme to become Effective it must also be sanctioned by the Court.
- The Acquisition will be subject to the other Conditions and terms set out in full in Appendix 1 to this announcement and to the full terms and conditions of the Acquisition which will be set out in the Scheme Document.
- It is expected that the Scheme Document containing further information about the Acquisition and the notices of the Court Meeting and the General Meeting, together with the accompanying Forms of Proxy, are expected to be published within 28 days of the date of this announcement (unless otherwise agreed between Sureserve and Kinovo with the consent of the Panel).
- The Acquisition is expected to become Effective by early July 2025, subject to the satisfaction or (where applicable) waiver of the Conditions and certain further terms set out in Appendix 1 to this announcement. An expected timetable of principal events will be included in the Scheme Document.

Comments on the Acquisition

- Commenting on the Acquisition, Graham Levinsohn, the Executive Chair & CEO of Sureserve, said:

"We believe the acquisition of Kinovo, with its focus on compliance and energy transition in social housing, fits perfectly with our strategy, and that bringing the two businesses together will enhance our offering to our clients. This is another significant step in delivering our mission, which is to be the trusted partner of choice to the social housing and related public sector in delivering essential and affordable heating, energy savings, and compliance solutions, playing a key and progressive role in decarbonisation, always delivering for customers, employees, residents and the environment with safety, integrity and respect at the forefront of everything we do."

- Commenting on the Acquisition, Sangita Shah the Non-Executive Chair of Kinovo said:

"I am pleased to announce Sureserve's intention to acquire Kinovo. The potential of the combined group - Sureserve's stature within UK compliance and energy services and Kinovo's reputation within its housing association and local authority clients - is compelling. I am particularly proud of the opportunity that this will present to our dedicated and committed employee base, whom I believe will be afforded enhanced opportunities to develop personally and professionally."

As a board we unanimously recommend this deal to our shareholders, believing that this acquisition presents an opportunity to realise immediate value and at a meaningful premium."

Accordingly, the Acquisition is subject to the disclosure requirements and practices applicable in the UK to schemes of arrangement which differ from the disclosure requirements of the U.S. tender offer and proxy solicitation rules. Neither the United States Securities and Exchange Commission, nor any securities commission of any state of the United States, has approved or disapproved any offer, or passed comment upon the adequacy or completeness of any of the information included in this announcement. The financial information included in this announcement and the Scheme Document (or, if the Acquisition is implemented by way of an Offer, the Offer Document) has been prepared in accordance with generally accepted accounting principles of the United Kingdom and thus may not be comparable to financial information of U.S.

Further, it may be difficult to compel a non-U.S. company and its affiliates to subject themselves to a U.S. court's jurisdiction or judgement.

Forward-Looking Statements

This announcement (including information incorporated by reference in this announcement), oral statements made regarding the Acquisition, and other information published by Sureserve and Kinovo, contains statements which are, or may be deemed to be, "forward-looking statements". Forward-looking statements are prospective in nature and are not based on historical facts, but rather on current expectations and projections of the management of Sureserve and Kinovo (as applicable) about future events, and are therefore subject to risks and uncertainties which could cause actual results to differ materially from the future results expressed or implied by the forward-looking statements.

The forward-looking statements contained in this announcement include statements relating to the expected effects of the Acquisition on Sureserve and Kinovo (including their future prospects, developments and strategies), the expected timing and scope of the Acquisition and other statements other than historical facts. Often, but not always, forward-looking statements can be identified by the use of forward-looking words such as "prepares", "plans", "expects" or "does not expect", "is expected", "is subject to", "budget", "projects", "synergy", "strategy", "scheduled", "goal", "estimates", "forecasts", "cost-saving", "intends", "anticipates" or "does not anticipate", or "believes", or variations of such words and phrases or statements that certain actions, events or

results “may”, “could”, “should”, “would”, “might” or “will” be taken, occur or be achieved. Forward-looking statements may include statements relating to the following: (i) future capital expenditures, expenses, revenues, earnings, synergies, economic performance, indebtedness, financial condition, dividend policy, losses and future prospects; (ii) business and management strategies and the expansion and growth of Sureserve, Kinovo, any member of the Sureserve Group’s or any member of the Kinovo Group’s operations and potential synergies resulting from the Acquisition; and (iii) the effects of global economic conditions and governmental regulation on the business of any member of the Sureserve Group or any member of the Kinovo Group.

Although Sureserve, Cap10 Partners and Kinovo believe that the expectations reflected in such forward-looking statements are reasonable, Sureserve, Cap10 Partners and Kinovo can give no assurance that such expectations will prove to be correct. By their nature, forward-looking statements involve risk and uncertainty because they relate to events and depend on circumstances that will occur in the future. There are a number of factors that could cause actual results and developments to differ materially from those expressed or implied by such forward-looking statements. Neither Sureserve, Cap10 Partners nor Kinovo assumes any obligation to update or correct the information contained in this announcement (whether as a result of new information, future events or otherwise) except as required by applicable law.

The factors that could cause actual results to differ materially from those described in the forward-looking statements include, but are not limited to: the ability to complete the Acquisition; the ability to obtain requisite regulatory and shareholder approvals and the satisfaction of other Conditions on the proposed terms; changes in the global political, economic, business and competitive environments and in market and regulatory forces; changes in future exchange and interest rates; changes in tax rates; future business combinations or disposals; changes in general economic and business conditions; changes in the behaviour of other market participants; and changes in the anticipated benefits from the proposed Acquisition not being realised as a result of: changes in general economic and market conditions in the countries in which Sureserve and Kinovo operate, weak, volatile or illiquid capital and/or credit markets, changes in tax rates, interest rate and currency value fluctuations, the degree of competition in the geographic and business areas in which Sureserve and Kinovo operate and changes in laws or in supervisory expectations or requirements. Other unknown or unpredictable factors could cause actual results to differ materially from those expected, estimated or projected in the forward-looking statements. If any one or more of these risks or uncertainties materialises or if any one or more of the assumptions proves incorrect, actual results may differ materially from those expected, estimated or projected. Such forward-looking statements should therefore be construed in the light of such factors. Neither Sureserve, Cap10 Partners nor Kinovo, nor any of their respective associates or directors, officers or advisers, provides any representation, assurance or guarantee that the occurrence of the events expressed or implied in any forward-looking statements in this announcement will actually occur. You are cautioned not to place any reliance on these forward-looking statements.

Specifically, statements of estimated cost savings and synergies related to future actions and circumstances, by their nature, involve risks, uncertainties and contingencies. As a result, the cost savings and synergies referred to may not be achieved, may be achieved later or sooner than estimated, or those achieved could be materially different from those estimated.

Other than in accordance with their legal or regulatory obligations, neither Sureserve nor Kinovo is under any obligation, and Sureserve, Cap10 Partners and Kinovo expressly disclaim any intention or obligation, to update or revise any forward-looking statements, whether as a result of new information, future events or otherwise.

FOR IMMEDIATE RELEASE

14 May 2025

**RECOMMENDED FINAL* CASH ACQUISITION
of
KINOVO PLC
("Kinovo")**

**by
SURESERVE COMPLIANCE HOLDINGS LIMITED
("Sureserve")**

(an indirect wholly-owned subsidiary of Sureserve Group Limited)

**to be implemented by means of a scheme of arrangement
under Part 26 of the Companies Act 2006**

1. Introduction

The boards of Kinovo and Sureserve are pleased to announce that they have reached agreement on the terms and conditions of a recommended final* cash offer pursuant to which Sureserve will acquire the entire issued and to be issued ordinary share capital of Kinovo (the "**Acquisition**"). The Acquisition is currently intended to be implemented by means of a Court-sanctioned scheme of arrangement under Part 26 of the Companies Act 2006.

2. The Acquisition

Under the terms of the Acquisition, each Kinovo Shareholder will be entitled to receive:

for each Kinovo Share: 87.5 pence in cash (the "Acquisition Price")

The Acquisition Price values the entire issued and to be issued share capital of Kinovo at approximately £56.4 million on a fully diluted basis.

The Acquisition Price represents a premium of approximately:

- 41.1 per cent. to the Closing Price of 62.0 pence per Kinovo Share on 9 May 2025 (being the last Business Day prior to the commencement of the Offer Period);
- 51.0 per cent. to the volume weighted average Closing Price of 58.0 pence per Kinovo Share over the last month ended 9 May 2025 (being the last Business Day prior to the commencement of the Offer Period);
- 46.2 per cent. to the volume weighted average Closing Price of 59.8 pence per Kinovo Share over the 3 months ended 9 May 2025 (being the last Business Day prior to the commencement of the Offer Period); and
- 43.3 per cent. to the volume weighted average Closing Price of 61.1 pence per Kinovo Share over the 6 months ended 9 May 2025 (being the last Business Day prior to the commencement of the Offer Period).

***Sureserve confirms that the financial terms of the Acquisition are final and will not be increased, save that Sureserve reserves the right to revise and increase the financial terms of the Acquisition if there is an announcement, on or after the date of this announcement, of a possible offer or firm intention to make an offer for Kinovo, by a third-party offeror or potential offeror.**

Dividends

Kinovo does not intend to pay a dividend or make any other distribution or return of value between the date of this announcement and the Effective Date. The Acquisition Price assumes that Kinovo Shareholders will not receive any dividend, distribution or other return of value. If, on or after the date of this announcement and on or prior to the Effective Date, any dividend, distribution, or other return of value is declared, made, or paid or becomes payable by Kinovo, Sureserve will reduce the Acquisition Price by the amount of such dividend, distribution or other return of value, in which case any references to the Acquisition Price will be deemed to be a reference to the Acquisition Price as so reduced. In such circumstances, Kinovo Shareholders will be entitled to retain any such dividend, distribution, or other return of value declared, made or paid.

Any such reduction referred to in this paragraph, or in paragraph 10 of Part B of Appendix 1 to this announcement will, for the avoidance of doubt, not be regarded as constituting any revision or variation of the terms of the Acquisition.

Expected Timetable

It is expected that the Scheme Document containing further information about the Acquisition and the notices of the Court Meeting and the General Meeting, together with the accompanying Forms of Proxy, will be published within 28 days of the date of this announcement (unless otherwise agreed between Sureserve and Kinovo with the consent of the Panel). The Acquisition is expected to become Effective by early July 2025, subject to the satisfaction or (where applicable) waiver of the Conditions and certain further terms set out in Appendix 1 to this announcement. An expected timetable of principal events will be included in the Scheme Document.

3. **Background to and reasons for the Acquisition**

Sureserve is committed to being a partner of choice for the social housing and public sectors, providing solutions for sustainable and affordable heating, full-spectrum compliance services, and energy-saving solutions. The Sureserve Group is committed to play a leading role in raising housing standards, tackling fuel poverty, and supporting the national decarbonisation of the UK social housing stock on the journey of providers to get to "Net Zero". Sureserve is grounded in a deep commitment to safety and respect for residents, employees, and the environment.

To achieve its aims, Sureserve is building a comprehensive range of technical compliance and energy services, enhancing its existing strength in areas such as heating compliance, by accelerating growth in other areas.

Sureserve believes that the acquisition of Kinovo, with its notable and complementary strength in electrical compliance services amongst others, is a perfect fit for Sureserve's future strategy. The Acquisition will materially enhance the offering to the Combined Group's collective client base, as well as the community that the Combined Group will serve.

Sureserve views Kinovo as a high-quality business with a demonstrable track record of delivering growth in a critical market. Key highlights of the Acquisition include:

- Kinovo's strong foundations, as a provider of essential services which are underpinned by increasingly demanding regulations;
- Kinovo's significant positive impact on the broader ecosystem and its ability to support national and global trends centred around compliance and energy efficiency as well as having Kinovo's broader positive impact on society, local communities, social infrastructures, employees, environment and suppliers; and
- Kinovo's meaningful potential for transformational growth. Sureserve intends to harness Kinovo's electrical capabilities and expand upon them by expanding from the South-East of England to the broader UK market.

Whilst Sureserve believes that there will be synergies, as described in paragraph 9 of this announcement, to be realised from the Acquisition, Sureserve believes that, under private ownership, with the ability to focus on long-term strategic goals and the right access to capital, Kinovo will be able to accelerate and unlock significant growth as part of the Sureserve Group.

4. **Recommendation of the Kinovo Directors**

The Kinovo Directors, who have been so advised by Canaccord Genuity as to the financial terms of the Acquisition, consider the terms of the Acquisition to be fair and reasonable. In providing their advice to the Kinovo Directors, Canaccord Genuity has taken into account the commercial assessments of the Kinovo Directors. Canaccord Genuity is providing independent financial advice to the Kinovo Directors for the purposes of Rule 3 of the Takeover Code.

The Kinovo Directors believe that the terms of the Acquisition are in the best interests of the Kinovo Shareholders and, accordingly, the Kinovo Directors intend to recommend unanimously that Kinovo Shareholders vote in favour of the Scheme at the Court Meeting and the Resolution(s) to be proposed at the General Meeting, as the Kinovo Directors who are interested in Kinovo

Shares have irrevocably undertaken to do, or procure to be done, in respect of their entire beneficial holdings (and, in certain cases, their close relatives' beneficial holdings) of, in aggregate, 5,170,972 Kinovo Shares representing approximately 8.16 per cent. of Kinovo's total issued ordinary share capital as at the close of business on the Last Practicable Date.

In the event that the Acquisition is implemented by way of an Offer, the Kinovo Directors intend to recommend unanimously that Kinovo Shareholders accept or procure acceptance of such Offer and to undertake irrevocably to accept or procure acceptance of such Offer in respect of their entire beneficial holdings (and, in certain cases, their close relatives' beneficial holdings) of Kinovo Shares. Further details of these irrevocable undertakings (including the circumstances in which they cease to be binding) are set out in Appendix 3 to this announcement.

5. Background to and reasons for the Kinovo Directors' recommendation

Kinovo is a leading UK provider of specialist property services delivering safety, electrical, compliance, and sustainability solutions to housing associations and local authorities. Kinovo provides end-to-end property maintenance services that ensure regulatory compliance, support community regeneration and drive energy-efficient solutions; assisting its clients with meeting their legal obligations whilst simultaneously contributing to national decarbonisation targets.

The Kinovo Board remains confident that there is substantial potential to drive growth within its three divisions – mechanical, electrical, and building services – by continuing to focus on the Kinovo Group's three core strategic pillars of "Regulation, Regeneration and Renewables".

The Kinovo Group's unaudited results for the six-month period ended 30 September 2024 ("**H1 FY25**") reflect the Company's continued strategic progress and trading momentum in recent years, supported by increasing client demand (driven by compliance requirements), decarbonisation initiatives and strong pipeline visibility. The momentum from H1 FY25 has continued into H2 FY25, as further detailed in paragraph 8 below.

However, while the Kinovo Board remains confident in Kinovo's future as an independent publicly traded entity and its ability to create value for all stakeholders over the longer term, the Kinovo Board recognises that there are inherent risks associated with this path including the general prevailing sentiment of the UK public markets in respect of smaller companies and the ongoing illiquidity of Kinovo shares being a detriment to investors wishing to realise their investment and an impediment to Kinovo attracting new institutional shareholders.

The Kinovo Board has therefore taken into account the Acquisition Price being offered by Sureserve, which it believes would provide Kinovo Shareholders with an immediate realisation of this future value potential in cash at an attractive premium to the Closing Price of 62.0 pence per Kinovo Share on 9 May 2025 (being the last Business Day prior to the commencement of the Offer Period).

Following a period of dialogue and a number of earlier proposals, the Kinovo Board received a best and final* indicative proposal from Sureserve of 87.5 pence per share. Shortly thereafter discussions with Sureserve commenced and have progressed to the point of this announcement of the Acquisition. On 12 May 2025, Kinovo published a statement regarding press speculation and confirmed that a best and final* indicative, non-binding proposal had been received from Sureserve relating to the Acquisition, and that the Kinovo Board had indicated to Sureserve that

the Consideration was at a value that the Kinovo Board would be minded to recommend to Kinovo Shareholders.

***Note that Sureserve confirms that the financial terms of the Acquisition are final and will not be increased, save that Sureserve reserves the right to revise and increase the financial terms of the Acquisition if there is an announcement, on or after the date of this announcement, of a possible offer or firm intention to make an offer for Kinovo, by a third-party offeror or potential offeror.**

The Kinovo Board has also consulted with certain of Kinovo's significant shareholders, who have demonstrated their support for the Acquisition by giving irrevocable undertakings and the letter of intent to support the Acquisition as detailed in paragraph 6 of this announcement.

The Kinovo Board anticipates a number of benefits to the business as a consequence of the Acquisition, including the opportunity to scale the Kinovo Group's offerings and maximise Kinovo's growth objectives as part of the Combined Group. Consequently, the Acquisition presents an opportunity to accelerate organic growth, pursue strategic investments and execute Kinovo's long-term strategy and mission as part of a larger, well-funded group and in a way that Kinovo would likely not be able to replicate on the public markets.

The Kinovo Board also notes Sureserve's synergetic presence in complementary markets and service offerings which could represent attractive growth opportunities for the Kinovo Group (as part of the Combined Group). It also recognises the potential opportunity to cross-sell across Kinovo's three primary divisions as part of the Combined Group.

The Kinovo Directors believe that Sureserve is strongly positioned to support Kinovo with the next phase of its growth, providing additional resources and support to deliver scale to the Kinovo Group's business (as part of the Combined Group), alongside providing complementary products and services to the Kinovo Group's existing and prospective customers (as part of the Combined Group). In addition, as a private company, Kinovo would be better able to develop its business away from the parameters of operating in public markets and the costs associated therewith.

The Kinovo Directors have given due consideration to Sureserve's intentions in relation to Kinovo's employees in respect of the total existing workforce and also to the importance of the Kinovo Front-line Staff in the context of Sureserve's strategic plans, as detailed in paragraph 9 of this announcement. Whilst acknowledging that Sureserve's intended integration review may result in headcount rationalisation of certain corporate centre roles and functions, the Kinovo Directors note the statement that Sureserve does not intend to make any material changes to the employee population of the Kinovo Front-line Staff, and believe that Kinovo's remaining workforce will benefit from increased opportunities within the Combined Group including the potential to flourish further in terms of personal and professional development.

The Kinovo Directors have also considered Sureserve's stated intentions for the business, locations and pensions schemes of Kinovo as detailed in paragraph 9 of this announcement. The Kinovo Directors welcome Sureserve's statements that, following the Effective Date, the existing contractual and statutory employment rights (including pensions rights) of all management and employees of Kinovo will be fully safeguarded in line with applicable law.

Accordingly, and having taken into account all relevant factors, the Kinovo Directors believe that the terms of the Acquisition are compelling; they acknowledge the quality and strong prospects of Kinovo's business and the potential for the Acquisition to deliver attractive value to Kinovo

Shareholders in cash, allowing the value of their holdings to be crystallised. As such, the Kinovo Directors intend to recommend unanimously that Kinovo Shareholders vote in favour of the Scheme at the Court Meeting and the Resolution(s) to be proposed at the General Meeting.

Additional remuneration and settlement arrangements involving Kinovo Directors

Sureserve has agreed with Kinovo that David Bullen and Clive Lovett will step down from the board positions they hold within the Kinovo Group immediately on the Effective Date and that their employment as Chief Executive Officer and Chief Financial Officer respectively of the Kinovo Group will terminate 14 days from (and including) the Effective Date ("**Executive Exits**"). Kinovo has entered into settlement arrangements with Mr Bullen and Mr Lovett in connection with their Executive Exits (in each case conditional upon the Acquisition becoming Effective) under which they will, 14 days from (and including) the Effective Date, be paid the full amounts payable to them under their contractual arrangements.

Mr Bullen and Mr Lovett have also each agreed to enter into a consultancy agreement, to take effect following their Executive Exits, to provide consultancy services to Kinovo (as part of the Combined Group), for a period of approximately 3 months, at an agreed hourly rate (equal to £306 and £214 respectively), such services to only be provided as Kinovo requires them ("**Consultancy Agreements**"). Further details of the Executive Exits and the Consultancy Agreements will be set out in the Scheme Document.

Kinovo also proposes to make additional remuneration payments to David Bullen, Clive Lovett and Lee Venables (Kinovo's Chief Operating Officer) as bonuses ("**Transaction Bonuses**") and to Odyssean Enterprises Ltd for the provision of the services of Sangita Shah (the "**Additional Services Fee**"), in each case, conditional upon the Acquisition becoming Effective ("**Additional Remuneration Payments**"). The aggregate amount of the Additional Remuneration Payments is £846,474 (excluding employer's National Insurance contributions) consisting of the following payments: (i) Sangita Shah: £126,000; (ii) David Bullen: £320,987; (iii) Clive Lovett: £199,744; and (iv) Lee Venables: £199,744. Further details of the Additional Remuneration Payments will be set out in the Scheme Document.

As required by, and solely for the purposes of Rule 16.2 of the Takeover Code, Canaccord Genuity has confirmed that, in its opinion, the terms of the Consultancy Agreements are fair and reasonable. In providing its opinion, Canaccord Genuity has taken into account the commercial assessments of the Kinovo Directors (other than David Bullen and Clive Lovett, who would personally benefit from the Consultancy Agreements).

The Consultancy Agreements, the Transaction Bonuses and the Additional Services Fee are collectively deemed related party transactions under the AIM Rules for Companies. The independent Kinovo Directors (being Kim Wright and David Guest, for the purposes of such assessment), having consulted with Canaccord Genuity, consider the terms of those transactions to be fair and reasonable insofar as Kinovo Shareholders are concerned.

6. Irrevocable undertakings and the letter of intent

In addition to the irrevocable undertakings from the Kinovo Directors described above, Sureserve has received:

- irrevocable undertakings to vote in favour (or procure the voting in favour, as applicable) of the Scheme at the Court Meeting and Resolution(s) to be proposed at the General Meeting (or, in the event that the Acquisition is implemented by way of an Offer, to accept or procure the acceptance of such Offer) from certain other Kinovo Shareholders in respect of a total of 23,167,486 Kinovo Shares representing, in aggregate, approximately 36.56 per cent. of Kinovo's total issued ordinary share capital as at the close of business on the Last Practicable Date; and
- a letter of intent to vote in favour (or procure the voting in favour, as applicable) of the Scheme at the Court Meeting and the Resolution(s) at the General Meeting (or, in the event that the Acquisition is implemented by way of an Offer, to accept or procure the acceptance of such Offer) from another Kinovo Shareholder in respect of a total of 1,471,200 Kinovo Shares representing, in aggregate, approximately 2.32 per cent. of Kinovo's total issued ordinary share capital as at the close of business on the Last Practicable Date.

Accordingly, Sureserve has received irrevocable undertakings (including those irrevocable undertakings from the Kinovo Directors who own Kinovo Shares), and the letter of intent, in respect of, in respect of in aggregate, 29,809,658 Kinovo Shares representing approximately 47.05 per cent. of Kinovo's total issued ordinary share capital as at the close of business on the Last Practicable Date.

Further details of these irrevocable undertakings (including the circumstances in which they cease to be binding) and the letter of intent are set out in Appendix 3 to this announcement.

8. Information relating to Kinovo

Kinovo is a leading UK provider of specialist property services, delivering safety, compliance, and sustainability solutions to housing associations and local authorities.

Kinovo delivers mechanical, electrical and building services through three long-established and complementary subsidiaries – Dunhams, Purdy and Spokemead. Dunhams offers a complete range of electrical, mechanical, general building and renewable energy services for local authorities, social housing, education and the private sectors. Purdy is a well-established mechanical, electrical, building services and renewable energy contractor based in North East London. Spokemead has acted as the principal contractor for electrical installation, repairs and maintenance for the last 25 years in one of the largest boroughs in London.

Kinovo was admitted to AIM on 6 March 2015 and currently has more than 240 employees.

Kinovo current trading and outlook

Kinovo issued its unaudited interim results for the six-month period ended 30 September 2024 on 26 November 2024 ("**Kinovo Interim Results**"), which are available on Kinovo's website at https://irpages2.equitystory.com/websites/rns_news/English/1100/news-tool---rns---eqs-group.html?article=34713808&company=bilby. The Kinovo Interim Results announcement included the following statement on the outlook for the Kinovo Group:

"The Board is confident that the momentum achieved in H1 will continue for the remainder of the financial year.

Whilst revenue outturn will partially depend on resultant mix of works, the Group's trading for the full year is now expected to be moderately ahead of the Board's previous expectations.

The Group is also well positioned to continue its year-on-year positive trajectory, mitigating the impact of the Chancellor's National Insurance and National Living Wage uplifts for the following year."

The momentum from H1 FY25 has continued into H2 FY25 as earlier outlined by the Kinovo Board, with a customarily strong end of the fourth quarter in FY25. The financial outturn for FY25 does however remain subject to audit processes but the Kinovo Board currently expects to report that EBITDA is marginally ahead of its prior expectations at the time of the Kinovo Interim Results. Revenue outturn will however reflect the resultant mix of higher margin works.

Furthermore, following recent confirmation of practical completion for the penultimate project, all nine projects in relation to the discontinued legacy operations of DCB (Kent) Ltd are now complete.

9. Sureserve's intentions regarding the Kinovo business, directors, management, employees and locations

Sureserve's strategic plans

Sureserve believes that the focus Kinovo has on compliance and energy transition in social housing will assist in enhancing Sureserve's strategy of focusing on delivering energy transition to the social housing sector, with Kinovo's particular focus on retrofit and renewables. This enhanced focus combined with Sureserve's delivery of a full range of compliance services to the social housing sector, including electrical and heating services, in the opinion of the Sureserve Board will enhance the service that Sureserve will be able to provide to the client base of the Combined Group.

Brand

Over the long-term, Sureserve intends that, following Completion, all of the businesses of the Combined Group will operate under the Sureserve brand. The timing of any change from the existing brands used within the Kinovo Group to the Sureserve brand will be reviewed following Completion, with Sureserve intending to have completed its review within 6 months from Completion.

Technology

Sureserve recognises that in order to operate most effectively as a combined business following Completion, the technology and IT platforms ought to be consistent across the Combined Group. Sureserve intends to integrate Kinovo on to the IT systems of the Sureserve Group, however the timing of such integration will be determined after Completion following a comprehensive review of Kinovo's current arrangements. Sureserve intends to have completed its review of Kinovo's current arrangements within 6 months from Completion.

Employees, management and directors

The Sureserve Board intends, within approximately three to four months from Completion, to complete an integration review of the operations of the Kinovo Group, alongside the operations of the Sureserve Group, to more accurately assess the organisational structures of the two groups, how they will be best integrated and any overlap or unnecessary duplication of functions across the two businesses. Such review aims to ensure that the Combined Group is able to maximise its focus on its customers and continue to provide service excellence.

Sureserve believes that the social housing market is best served by local management driving quality local operations and staying close to their customers. As such, Kinovo front-line staff, customer contact staff and contract or relationship managers ("**Kinovo Front-line Staff**") are central to Sureserve's plans to continue to deliver service excellence. Sureserve confirms that it does not intend to make any material changes to the employee population of the Kinovo Front-line Staff.

At this stage, Sureserve does not know the extent or composition of any potential overhead synergies across the two groups which may be identified in the integration review. The Sureserve Board currently intends, however, that as a result of (a) Kinovo (which is currently a stock market traded company) becoming, following Completion, a private business within the Combined Group and (b) the intended consolidation, post-Completion, of the co-located Kinovo Group's headquarters into Sureserve's head office in Holborn, London, certain duplicative and/or unnecessary roles and functions will likely arise in the corporate centre of the Combined Group, including in Kinovo's head office functions (for example in legal, finance, HR and other corporate functions), which may lead to the rationalisation of certain corporate centre roles and functions and therefore a material impact on the headcount in these areas.

Despite Sureserve's intentions referred to above, Sureserve is unable to prejudge the results of its integration review. The implementation of any reductions in employee headcount, following the conclusion of the integration review, will be subject to comprehensive planning, engagement and consultation with employees and their representatives, including as required by applicable law. However, outside of the central areas identified above, Sureserve does not anticipate that there will be any material headcount impact on Kinovo Group employee numbers.

Sureserve confirms that the existing contractual and statutory employment rights, including pension rights, of all Kinovo Group management and employees will be safeguarded in accordance with applicable law.

Sureserve also recognises and values the experience and the quality of leadership skills of Kinovo's senior management. However, it is intended that Kinovo's Chief Executive Officer and Chief Financial Officer, David Bullen and Clive Lovett will step down from their positions, as

directors of Kinovo, with effect from Completion. It has been agreed with each of Mr Bullen and Mr Lovett, however, that they will continue to be employed by Kinovo, for a short period following the Effective Date and thereafter become consultants of Kinovo, to assist with the effective integration of Sureserve and Kinovo. Further details on these arrangements are contained in paragraph 5 above and will also be provided in the Scheme Document, when published.

Since Kinovo's admission to trading on AIM will be cancelled, on or very shortly following the Effective Date, it is also intended that the non-executive directors of Kinovo will step down from the Kinovo Board, on the Effective Date, on terms to be agreed.

Pensions

The Kinovo Group currently operates defined contribution pension arrangements for its management and employees and has no exposure under any form of defined benefit (final salary) pension scheme. The Sureserve Board intends to maintain the rates of contribution made to the pension arrangements of continuing management and employees of the Kinovo Group.

Management incentive arrangements and other employment and incentive arrangements

Sureserve intends to review, shortly following Completion, the management, governance and incentive structures of the Kinovo Group. Save in connection with the new employment terms for David Bullen and Clive Lovett which are referenced above, in respect of their transitional roles in the Kinovo Group following Completion, Sureserve has not entered into, nor had any discussions on proposals to enter into, any form of incentive arrangements with any of the existing members of Kinovo's management, nor does it intend to do so prior to Completion.

Sureserve intends, however, shortly following Completion, to review the current incentive arrangements for Kinovo management to ensure that management are appropriately incentivised to drive service quality and performance.

Sureserve will also be looking to align following Completion, the bonus/ incentivisation arrangements of the management of the Sureserve Group and Kinovo Group, for management in equivalent roles. In particular, since the Sureserve Group reports to a financial year end of 30 September (whilst Kinovo reports to a 31 March year-end), Sureserve would intend to align the relevant performance period for the bonus arrangements of Kinovo Group employees so that such period, in the future, ends on 30 September of each year. Sureserve intends that such alignment would happen, to the extent practicably possible, by the start of Sureserve's new financial year commencing 1 October 2025, but if that were not possible, by 1 April 2026.

Save as referred to above, Sureserve does not currently envisage there being any material change in the conditions of employment or in the balance of the skills and functions of the Kinovo Group employees and management.

Locations of business, headquarter functions, fixed assets and research and development

As indicated above, following Completion, it is intended that the Kinovo Group business operations headquarter functions will be consolidated into the Sureserve Group's headquarters in Holborn. Sureserve intends to review the Kinovo Group's property leasehold arrangements in the ordinary course to ensure they continue to meet the Combined Group's operating needs moving forward. Sureserve expects that this review may result in the rationalisation or extension

of all or some of the Kinovo Group's property leasehold arrangements. Sureserve intends to have concluded its review within 6 months from Completion.

As part of its integration review, Sureserve intends to review the Kinovo Group's vehicle fleet and leases, with a view to, at some point in the future, consolidating them within the Sureserve fleet policy. Sureserve intends to have concluded its review within 8 months from Completion.

Other than as referred to above, Sureserve does not intend to make any material changes with respect to the redeployment of Kinovo's fixed asset base or to change the locations of business of the Kinovo Group.

Kinovo does not currently have a research and development function and, therefore, Sureserve has no plans in this regard.

Trading facilities

The Kinovo Shares are currently admitted to trading on AIM. As described in paragraph 15 below, prior to the Effective Date, it is intended that an application will be made to the London Stock Exchange for admission of the Kinovo Shares to trading on AIM to be cancelled with effect from or shortly following the Effective Date.

Post-offer undertakings

No statements in this paragraph 9 constitute "post-offer undertakings" for the purposes of Rule 19.5 of the Takeover Code.

10. Share Plans

Participants in the Kinovo Share Plans will be contacted regarding the effect of the Acquisition on their rights under the Kinovo Share Plans and provided with further details concerning any proposals that will be made for their share incentive awards in due course. Details of these proposals will be set out in the Scheme Document and in separate letters to be sent to participants in the Kinovo Share Plans.

11. Financing of the Acquisition

The Consideration payable by Sureserve to Kinovo Shareholders pursuant to the terms of the Acquisition will be financed by a new interim debt facility provided by new lenders to Sureserve's indirect parent company.

Rothschild & Co, in its capacity as sole financial adviser to Sureserve, is satisfied that sufficient cash resources are available to Sureserve to satisfy in full the Consideration payable to the Kinovo Shareholders pursuant to the Acquisition.

Further information on the financing of the Acquisition will be set out in the Scheme Document.

12. Offer-related arrangements

Confidentiality Agreement

On 18 February 2025, Sureserve and Kinovo entered into a confidentiality agreement pursuant to which Sureserve undertook, among other things: (i) to keep, and procure that certain of its related parties and representatives keep, certain information relating to Kinovo and the Acquisition confidential and not to disclose it to third parties (other than permitted parties) unless required by law or regulation, among other exceptions; and (ii) to use such confidential information solely for the agreed purpose in relation to the Acquisition (the "**Confidentiality Agreement**"). These confidentiality obligations will remain in force for the earlier of: (i) a period of two years from the date of the Confidentiality Agreement, and (ii) the Effective Date.

The Confidentiality Agreement also contains undertakings from Sureserve that, for a period of 12 months from the date of the Confidentiality Agreement, and subject to customary carve-outs for general advertisements and unsolicited approaches, the Sureserve Group shall not solicit or endeavour to entice away senior employees of the Kinovo Group.

Clean Team Agreement

Kinovo and Sureserve have entered into a clean team agreement dated 5 March 2025, which sets out, among other things, how confidential information in respect of Kinovo that is competitively sensitive can be disclosed, used or shared with Sureserve's clean team individuals and/or external advisers retained by Sureserve (the "**Clean Team Agreement**").

Cooperation Agreement

Kinovo and Sureserve have entered into a cooperation agreement dated 14 May 2025, pursuant to which Sureserve has agreed to use all reasonable endeavours to obtain any regulatory clearances, or procure that any regulatory clearances are obtained and to satisfy the Conditions, or procure that the Conditions are satisfied, as soon as is reasonably practicable after entry into the Cooperation Agreement. Kinovo and Sureserve have agreed to co-operate with each other and provide each other with all reasonable information, assistance and access in a timely manner for the purposes of implementing the Acquisition and/or in connection with any regulatory clearances. Kinovo and Sureserve have also agreed to co-operate to promptly provide each other with such documentation, information, assistance and access as may reasonably be required for the preparation of the key shareholder documentation (the "**Cooperation Agreement**").

The Cooperation Agreement will be terminated, amongst other things (i) upon written notice served by Sureserve where: (a) if the Kinovo Board's recommendation is withdrawn, qualified or changed in a manner that is adverse in the context of the Acquisition (b) the Kinovo Director's recommend a competing proposal, (c) certain milestones in connection with the Scheme are not achieved in accordance with agreed timeframes, (d) the Kinovo Board does not include their recommendation of the Acquisition in the Scheme Document, (e) if after approval of the Resolution(s), the Kinovo Directors announce that they will not implement the Scheme (other than in connection with Sureserve switching to an Offer or because a Condition has failed or become incapable of fulfilment or satisfaction; (ii) upon written notice of either party where (a) prior to the Long-Stop Date, a competing offer becomes effective or is declared unconditional; (b) the Acquisition is withdrawn, terminates or lapses in accordance with its terms (subject to certain carve outs); (c) prior to the Long-Stop Date, a Condition which is either not capable of being waived or, where capable of being waived, Sureserve has confirmed that it will not waive said Condition, becomes incapable of satisfaction by the Long-Stop Date in circumstances where

invocation of the relevant Condition is permitted by the Panel; (d) the Scheme and/or the Resolutions are not approved at the Meetings; or (iii) if the parties agree in writing.

13. **Scheme of arrangement**

It is intended that the Acquisition will be implemented by means of a Court-sanctioned scheme of arrangement between Kinovo and the Scheme Shareholders under Part 26 of the Companies Act 2006 (although Sureserve reserves the right to implement the Acquisition by means of an Offer, subject to the consent of the Panel and the terms of the Cooperation Agreement).

The purpose of the Scheme is to provide for Sureserve to become owner of the whole of the issued and to be issued ordinary share capital of Kinovo. Under the Scheme, the Acquisition is to be achieved by the transfer of the Scheme Shares held by Scheme Shareholders to Sureserve in consideration for which Scheme Shareholders will receive the Consideration on the basis set out in paragraph 2 of this announcement. The process involves, amongst other things, an application by Kinovo to the Court to sanction the Scheme. The transfer to Sureserve of the Kinovo Shares will result in Kinovo becoming a wholly-owned subsidiary of Sureserve.

The Acquisition will be subject to the Conditions and further terms and conditions referred to in Appendix 1 to this announcement (and to be set out in the Scheme Document) and will only become Effective if, among other things, the following events occur on or before the Long-Stop Date:

- the approval of the Scheme being granted by a majority in number representing not less than 75 per cent. in value of Scheme Shareholders (or the relevant class or classes thereof) who are present and voting (and who are entitled to vote), either in person or by proxy, at the Court Meeting and at any separate class meeting which may be required by the Court (or, in each case, at any adjournment, postponement or reconvention thereof);
- the Resolutions(s) facilitating the implementation of the Scheme being duly passed by the requisite majorities of the votes cast in person or by proxy at the General Meeting or at any adjournment, postponement or reconvention thereof;
- following the Meetings and satisfaction and/or waiver (where applicable) of the other Conditions, the Scheme being sanctioned by the Court (with or without modification, but subject to any modification being on terms acceptable to Sureserve and Kinovo); and
- following the sanction of the Scheme by the Court, a copy of the Scheme Court Order being delivered to the Registrar of Companies for registration.

The Acquisition will lapse if:

- the Court Meeting and the General Meeting are not held on or before the twenty second (22nd) day after the expected date of such Meetings, as set out in the Scheme Document in due course (or such later date as may be agreed between Sureserve and Kinovo, with the consent of the Panel and, if required, the Court);
- the Court Sanction Hearing is not held on or before the twenty second (22nd) day after the expected date of such hearing, as set out in the Scheme Document in due course (or such

later date as may be agreed between Sureserve and Kinovo, with the consent of the Panel and, if required, the Court); or

- the Scheme does not become effective on or before the Long-Stop Date.

Upon the Scheme becoming Effective: (i) it will be binding on all Scheme Shareholders, irrespective of whether or not they attended or voted at the Court Meeting and/or General Meeting (and, if they attended and voted, whether or not they voted in favour); and (ii) the Consideration for the transfer of the Scheme Shares to Sureserve will be settled no later than fourteen (14) days after the Effective Date. In addition, share certificates in respect of the Kinovo Shares will cease to be valid and entitlements to Kinovo Shares held within CREST will be cancelled.

Any Kinovo Shares issued before the Scheme Record Time will be subject to the terms of the Scheme. The Resolution(s) to be proposed at the General Meeting will, amongst other matters, provide that the Kinovo Articles be amended to incorporate provisions requiring any Kinovo Shares issued after the Scheme Record Time (other than to Sureserve and/or its nominees) to be automatically transferred to Sureserve on the same terms as the Acquisition (other than terms as to timings and formalities). The provisions of the Kinovo Articles (as amended) will avoid any person (other than Sureserve and/or its nominees) holding Kinovo Shares after the Effective Date.

It is expected that the Scheme Document containing further information about the Acquisition, the expected timetable for the implementation of the Scheme and notices of the Court Meeting and General Meeting, together with the Forms of Proxy, will be published as soon as possible and, in any event, within 28 days of the date of this announcement (unless otherwise agreed between Sureserve and Kinovo with the consent of the Panel). The Acquisition will lapse if the Scheme does not become Effective by the Long-Stop Date (or such later date as Sureserve and Kinovo may agree, with the consent of the Panel and as the Court may approve, if such approval is required).

Subject, among other things, to the satisfaction or (where applicable) waiver of the Conditions, it is expected that the Scheme will become Effective by early July 2025.

The Scheme will be governed by English law. The Scheme will be subject to the applicable requirements of the Takeover Code, the Panel, the London Stock Exchange (including pursuant to the AIM Rules) and the Companies Act 2006.

14. **Disclosure of interests**

Except for the irrevocable undertakings referred to in paragraphs 4 and 6 above, as at the Last Practicable Date, neither Cap10 nor Sureserve, nor any of the their respective directors, nor, so far as Sureserve is aware, any person acting in concert (within the meaning of the Takeover Code) with Sureserve:

- had any interest in, or right to subscribe for, any Kinovo Shares;
- had any short position in Kinovo Shares, including any short position under a derivative, any agreement to sell, any delivery obligation or right to require another person to purchase or take delivery of relevant securities of Kinovo;

- had borrowed or lent any relevant securities of Kinovo or entered into any financial collateral arrangements relating to relevant securities of Kinovo; or
- was a party to any dealing arrangement of the kind referred to in Note 11 on the definition of acting in concert in the Takeover Code in relation to relevant securities of Kinovo.

It has not been practicable for Sureserve to make enquiries of all of its concert parties in advance of the release of this announcement. Therefore, if Sureserve becomes aware, following the making of such enquiries, that any of its concert parties have any additional interests in the relevant securities of Kinovo, all relevant details in respect of Sureserve concert parties will be included in Sureserve Opening Position Disclosure in accordance with Rule 8.1(a) and Note 2(a)(i) on Rule 8 of the Takeover Code.

15. Cancellation of admission to trading of the Kinovo Shares on AIM and re-registration

Prior to the Effective Date, it is intended that applications will be made to the London Stock Exchange for admission of the Kinovo Shares to trading on AIM to be cancelled with effect from or shortly following the Effective Date.

The last day of dealings in, and registration of transfers of, Kinovo Shares on AIM is expected to be the Business Day immediately prior to the Effective Date, and no transfers will be registered after 6.00 p.m. (London time) on that date.

Upon the Scheme becoming Effective, Sureserve will acquire the Kinovo Shares fully paid and free from all liens, charges, equitable interests, encumbrances and rights of pre-emption and any other interests of any nature whatsoever and together with all rights attaching thereto including the right to receive and retain all dividends and distributions declared, made or paid by reference to a record date after the Effective Date.

On the Effective Date, Kinovo will become a wholly-owned subsidiary of Sureserve and share certificates in respect of Kinovo will cease to be valid and should be destroyed. In addition, entitlements held within the CREST system to the Kinovo Shares will be cancelled on the Effective Date.

It is also intended that Kinovo will be re-registered as a private limited company and for this to take place as soon as practicable following the Effective Date.

16. General

Sureserve reserves the right to elect (with the consent of the Panel and subject to the terms of the Cooperation Agreement) to implement the Acquisition by way of an Offer as an alternative to the Scheme. In such event, the Offer will be implemented on substantially the same terms, so far as applicable, as those which would apply to the Scheme, subject to appropriate amendments to reflect the change in method of effecting the Offer in accordance with the provisions of the Cooperation Agreement.

If the Acquisition is effected by way of an Offer and such Offer becomes, or is declared, unconditional in all respects and sufficient acceptances are received, Sureserve intends to: (i) request that the London Stock Exchange cancel admission of the Kinovo Shares to trading on

AIM; and (ii) exercise its rights to apply the provisions of Chapter 3 of Part 28 of the Companies Act 2006 to acquire compulsorily the remaining Kinovo Shares in respect of which the Offer has not been accepted.

Overseas Shareholders

The release, publication or distribution of this announcement in or into jurisdictions other than the UK may be restricted by law and therefore any persons who are subject to the laws of any jurisdiction other than the UK should inform themselves about, and observe, any applicable legal or regulatory requirements. Any failure to comply with such requirements may constitute a violation of the securities laws of any such jurisdiction. To the fullest extent permitted by applicable law, the companies and persons involved in the Acquisition disclaim any responsibility or liability for the violation of such restrictions by any person. This announcement has been prepared in accordance with and for the purpose of complying with English law, the Takeover Code, the Market Abuse Regulation and the AIM Rules and information disclosed may not be the same as that which would have been prepared in accordance with the laws of jurisdictions outside of the UK.

The availability of the Acquisition to Kinovo Shareholders who are not resident in and citizens of the UK may be affected by the laws of the relevant jurisdictions in which they are located or of which they are citizens. Persons who are not resident in the UK should inform themselves of, and observe, any applicable legal or regulatory requirements of their jurisdictions. In particular, the ability of persons who are not resident in the UK to vote their Scheme Shares with respect to the Scheme at the Court Meeting, or to execute and deliver Forms of Proxy appointing another person to vote at the Court Meeting on their behalf, may be affected by the laws of the relevant jurisdictions in which they are located. Any failure to comply with the applicable restrictions may constitute a violation of the securities law of any such jurisdiction. To the fullest extent permitted by applicable law, the companies and persons involved in the Acquisition disclaim any responsibility or liability for the violation of such restrictions by any person.

Unless otherwise determined by Sureserve or required by the Takeover Code, and permitted by applicable law and regulation, the Acquisition will not be made available, in whole or in part, directly or indirectly in, into, or from a Restricted Jurisdiction where to do so would constitute a violation of the relevant laws or regulations of such jurisdiction and no person may vote in favour of the Acquisition by the use of any means or instrumentality, from within a Restricted Jurisdiction or any other jurisdiction if to do so would constitute a violation of the laws of that jurisdiction. Accordingly, copies of this announcement and any formal documentation relating to the Scheme and the Acquisition are not being, and must not be, directly or indirectly, mailed or otherwise

forwarded, distributed or sent in or into or from any Restricted Jurisdiction and persons receiving such documents (including, without limitation, custodians, nominees and trustees) must not mail or otherwise forward, distribute or send them in or into or from any Restricted Jurisdiction. Doing so may render invalid any related purported vote in respect of the Acquisition. If the Acquisition is implemented by way of an Offer (unless otherwise permitted by applicable law and regulation), the Offer may not be made directly or indirectly, in or into, or by the use of mails or any means or instrumentality (including, but not limited to, facsimile, e-mail or other electronic transmission, telex or telephone) of interstate or foreign commerce of, or of any facility of a national, state or other securities exchange of any Restricted Jurisdiction and the Offer may not be capable of acceptance by any such use, means, instrumentality or facilities.

Kinovo Shareholders who are in any doubt about such matters should consult an appropriate independent professional adviser in the relevant jurisdiction without delay.

Further details in relation to Overseas Shareholders will be included in the Scheme Document.

Additional information for US investors

The Acquisition relates to the shares of an English company with a quotation on AIM and is being made by means of a scheme of arrangement provided for under English company law. An acquisition effected by means of a scheme of arrangement is not subject to the tender offer rules or the proxy solicitation rules under the U.S. Securities Exchange Act of 1934 (the “U.S. Exchange Act”). Accordingly, the Acquisition is subject to the disclosure requirements and practices applicable in the UK to schemes of arrangement which differ from the disclosure requirements of the U.S. tender offer and proxy solicitation rules. Neither the United States Securities and Exchange Commission, nor any securities commission of any state of the United States, has approved or disapproved any offer, or passed comment upon the adequacy or completeness of any of the information included in this announcement. The financial information included in this announcement and the Scheme Document (or, if the Acquisition is implemented by way of an Offer, the Offer Document) has been prepared in accordance with generally accepted accounting principles of the United Kingdom and thus may not be comparable to financial information of U.S. companies or companies whose financial statements are prepared in accordance with generally accepted accounting principles in the United States.

If, in the future, Sureserve exercises its right, with the consent of the Panel (where necessary) and subject to the terms of the Cooperation Agreement, to implement the Acquisition by way of an Offer, which is to be made into the United States, such Offer will be made in compliance with the applicable U.S. laws and regulations.

It may be difficult for U.S. holders of Kinovo Shares to enforce their rights and any claim arising out of the U.S. federal laws in connection with the Acquisition, since Sureserve and Kinovo are located in a non-U.S. jurisdiction, and some or all of their officers and directors may be residents of a non-U.S. jurisdiction. U.S. holders of Kinovo Shares may not be able to sue a non-U.S. company or its officers or directors in a non-U.S. court for violations of the U.S. securities laws.

Further, it may be difficult to compel a non-U.S. company and its affiliates to subject themselves to a U.S. court's jurisdiction or judgement.

In accordance with normal UK practice and pursuant to Rule 14e-5(b) of the U.S. Exchange Act, Sureserve, its nominees, or their brokers (acting as agents), may from time to time make certain purchases of, or arrangements to purchase, Kinovo Shares outside of the U.S., other than pursuant to the Acquisition, until the date on which the Acquisition becomes Effective, lapses or is otherwise withdrawn. These purchases may occur either in the open market at prevailing prices or in private Acquisitions at negotiated prices and comply with applicable law, including the U.S. Exchange Act. Any information about such purchases will be disclosed as required in the UK, will be reported to the Regulatory News Service of the London Stock Exchange and will be available on the London Stock Exchange website at www.londonstockexchange.com.

U.S. Kinovo Shareholders should be aware that the Acquisition contemplated herein may have tax consequences in the U.S. and, that such consequences, if any, are not described herein. U.S. Kinovo Shareholders are urged to consult with legal, tax and financial advisers in connection with making a decision regarding this Acquisition.

Forward-Looking Statements

This announcement (including information incorporated by reference in this announcement), oral statements made regarding the Acquisition, and other information published by Sureserve and Kinovo, contains statements which are, or may be deemed to be, "forward-looking statements". Forward-looking statements are prospective in nature and are not based on historical facts, but rather on current expectations and projections of the management of Sureserve and Kinovo (as applicable) about future events, and are therefore subject to risks and uncertainties which could cause actual results to differ materially from the future results expressed or implied by the forward-looking statements.

The forward-looking statements contained in this announcement include statements relating to the expected effects of the Acquisition on Sureserve and Kinovo (including their future prospects, developments and strategies), the expected timing and scope of the Acquisition and other statements other than historical facts. Often, but not always, forward-looking statements can be identified by the use of forward-looking words such as "prepares", "plans", "expects" or "does not expect", "is expected", "is subject to", "budget", "projects", "synergy", "strategy", "scheduled", "goal", "estimates", "forecasts", "cost-saving", "intends", "anticipates" or "does not anticipate", or "believes", or variations of such words and phrases or statements that certain actions, events or results "may", "could", "should", "would", "might" or "will" be taken, occur or be achieved. Forward-looking statements may include statements relating to the following: (i) future capital expenditures, expenses, revenues, earnings, synergies, economic performance, indebtedness, financial condition, dividend policy, losses and future prospects; (ii) business and management strategies and the expansion and growth of Sureserve, Kinovo, any member of the Sureserve Group's or any member of the Kinovo Group's operations and potential synergies resulting from the Acquisition; and (iii) the effects of global economic conditions and governmental regulation on the business of any member of the Sureserve Group or any member of the Kinovo Group.

Although Sureserve, Cap10 Partners and Kinovo believe that the expectations reflected in such forward-looking statements are reasonable, Sureserve, Cap10 Partners and Kinovo can give no assurance that such expectations will prove to be correct. By their nature, forward-looking statements involve risk and uncertainty because they relate to events and depend on

circumstances that will occur in the future. There are a number of factors that could cause actual results and developments to differ materially from those expressed or implied by such forward-looking statements. Neither Sureserve, Cap10 Partners nor Kinovo assumes any obligation to update or correct the information contained in this announcement (whether as a result of new information, future events or otherwise) except as required by applicable law.

The factors that could cause actual results to differ materially from those described in the forward-looking statements include, but are not limited to: the ability to complete the Acquisition; the ability to obtain requisite regulatory and shareholder approvals and the satisfaction of other Conditions on the proposed terms; changes in the global political, economic, business and competitive environments and in market and regulatory forces; changes in future exchange and interest rates; changes in tax rates; future business combinations or disposals; changes in general economic and business conditions; changes in the behaviour of other market participants; and changes in the anticipated benefits from the proposed Acquisition not being realised as a result of: changes in general economic and market conditions in the countries in which Sureserve and Kinovo operate, weak, volatile or illiquid capital and/or credit markets, changes in tax rates, interest rate and currency value fluctuations, the degree of competition in the geographic and business areas in which Sureserve and Kinovo operate and changes in laws or in supervisory expectations or requirements. Other unknown or unpredictable factors could cause actual results to differ materially from those expected, estimated or projected in the forward-looking statements. If any one or more of these risks or uncertainties materialises or if any one or more of the assumptions proves incorrect, actual results may differ materially from those expected, estimated or projected. Such forward-looking statements should therefore be construed in the light of such factors. Neither Sureserve, Cap10 Partners nor Kinovo, nor any of their respective associates or directors, officers or advisers, provides any representation, assurance or guarantee that the occurrence of the events expressed or implied in any forward-looking statements in this announcement will actually occur. You are cautioned not to place any reliance on these forward-looking statements.

Specifically, statements of estimated cost savings and synergies related to future actions and circumstances, by their nature, involve risks, uncertainties and contingencies. As a result, the cost savings and synergies referred to may not be achieved, may be achieved later or sooner than estimated, or those achieved could be materially different from those estimated.

Other than in accordance with their legal or regulatory obligations, neither Sureserve nor Kinovo is under any obligation, and Sureserve, Cap10 Partners and Kinovo expressly disclaim any intention or obligation, to update or revise any forward-looking statements, whether as a result of new information, future events or otherwise.

Dealing and Opening Position Disclosure requirements

Under Rule 8.3(a) of the Takeover Code, any person who is interested in one (1) per cent. or more of any class of relevant securities of an offeree company or of any securities exchange offeror (being any offeror other than an offeror in respect of which it has been announced that its offer is, or is likely to be, solely in cash) must make an Opening Position Disclosure following the commencement of the Offer Period and, if later, following the announcement in which any securities exchange offeror is first identified.

An Opening Position Disclosure must contain details of the person's interests and short positions in, and rights to subscribe for, any relevant securities of each of (i) the offeree company and (ii) any securities exchange offeror(s). An Opening Position Disclosure by a person to whom Rule

8.3(a) of the Takeover Code applies must be made by no later than 3.30 p.m. (London time) on the tenth (10th) Business Day following the commencement of the Offer Period and, if appropriate, by no later than 3.30 p.m. (London time) on the tenth (10th) Business Day following the announcement in which any securities exchange offeror is first identified. Relevant persons who deal in the relevant securities of the offeree company or of a securities exchange offeror prior to the deadline for making an Opening Position Disclosure must instead make a Dealing Disclosure.

Under Rule 8.3(b) of the Takeover Code, any person who is, or becomes, interested in one (1) per cent. or more of any class of relevant securities of the offeree company or of any securities exchange offeror must make a Dealing Disclosure if the person deals in any relevant securities of the offeree company or of any securities exchange offeror. A Dealing Disclosure must contain details of the dealing concerned and of the person's interests and short positions in, and rights to subscribe for, any relevant securities of each of (i) the offeree company and (ii) any securities exchange offeror, save to the extent that these details have previously been disclosed under Rule 8 of the Takeover Code. A Dealing Disclosure by a person to whom Rule 8.3(b) of the Takeover Code applies must be made by no later than 3.30 p.m. (London time) on the Business Day following the date of the relevant dealing.

If two or more persons act together pursuant to an agreement or understanding, whether formal or informal, to acquire or control an interest in relevant securities of an offeree company or a securities exchange offeror, they will be deemed to be a single person for the purpose of Rule 8.3 of the Takeover Code.

Opening Position Disclosures must also be made by the offeree company and by any offeror and Dealing Disclosures must also be made by the offeree company, by any offeror and by any persons acting in concert with any of them (see Rules 8.1, 8.2 and 8.4 of the Takeover Code).

Details of the offeree and offeror companies in respect of whose relevant securities Opening Position Disclosures and Dealing Disclosures must be made can be found in the Disclosure Table on the Panel's website at www.thetakeoverpanel.org.uk, including details of the number of relevant securities in issue, when the Offer Period commenced and when any offeror was first identified. You should contact the Panel's Market Surveillance Unit on +44 (0)20 7638 0129 if you are in any doubt as to whether you are required to make an Opening Position Disclosure or a Dealing Disclosure.

 - (A) require, prevent or delay the divestiture, or materially alter the terms envisaged for any proposed divestiture by any member of the Wider Sureserve Group or any member of the Wider Kinovo Group of all or any portion of their respective businesses, assets or property or impose any limitation on the ability of any of them to conduct their respective businesses (or any of them) or to own any of their respective assets or properties or any part thereof which, in any such case, is material in the context of the Wider Sureserve Group or the Wider Kinovo Group in either case taken as a whole or in the context of the Acquisition;

PART B: FURTHER TERMS OF THE ACQUISITION

1. The Acquisition will be subject to the fulfilment (or waiver, if permitted) of the Conditions set out in Part A of this Appendix 1, to the further terms set out in this Part B of Appendix 1, and to the full terms and conditions which will be set out in the Scheme Document, and such further terms as may be required to comply with the provisions of the Takeover Code.
2. Conditions 1, 2(A), 2(B)(i), 2(C)(i) and 2(C)(iii) cannot be waived (save, in respect of Conditions 2(A), 2(B) and 2(C), as respect to their deadlines as set out below). Subject to the requirements of the Panel and the Takeover Code, Sureserve reserves the right in its sole discretion to waive:
 - (A) the deadline set out in Condition 1 of Part A of this Appendix 1, and any of the deadlines set out in Conditions 2(A), 2(B) and 2(C) in so far as they relate to the timing of the Court Meeting, the General Meeting and the Court Sanction Hearing. If any such deadline is not met, Sureserve will make an announcement by 8.00 a.m. on the Business Day following such deadline confirming whether it has invoked or waived the relevant Condition or agreed with Kinovo to extend the deadline in relation to the relevant Condition; and
 - (B) in whole or in part, all or any of Conditions 3 to 11 of Part A of this Appendix 1.
3. Conditions 2(A) and 2(B) must be fulfilled by, and Conditions 3 to 11 (inclusive) fulfilled or waived by, no later than 11.59 p.m. on the date immediately preceding the date of the Court Sanction Hearing. The Acquisition will not become Effective unless each of the Conditions have been fulfilled (or, to the extent capable of waiver, waived) or, where appropriate, have been determined by Sureserve to be or to remain satisfied by no later than 11.59 p.m. on the Long-Stop Date.
4. Sureserve shall be under no obligation to waive (if capable of waiver), to determine to be or remain satisfied or fulfilled, or to treat as satisfied or fulfilled any of Conditions 1 to 11 (inclusive) by a date earlier than the latest date specified for the satisfaction of the relevant Condition, notwithstanding that the other Conditions may at such earlier date have been waived or fulfilled and that there are at such earlier date no circumstances indicating that any of such Conditions may not be capable of satisfaction or fulfilment.
5. Under Rule 13.5(a) of the Takeover Code, Sureserve may not invoke a Condition to the Acquisition so as to cause the Acquisition not to proceed, to lapse or to be withdrawn unless the circumstances which give rise to the right to invoke the Condition are of material significance to Sureserve in the context of the Acquisition. Sureserve may only invoke a condition that is subject to Rule 13.5(a) with the consent of the Panel and any condition that is subject to Rule 13.5(a) may be waived by Sureserve. Conditions 2(A)(i), 2(B)(i), 2(C)(i) and 2(C)(iii) and, if applicable, any acceptance condition (if the Transaction is implemented by means of an Offer) are not subject to Rule 13.5(a) of the Takeover Code.
6. If Sureserve is required by the Panel to make an offer for Kinovo Shares under the provisions of Rule 9 of the Takeover Code, Sureserve may make such alterations to any of the above Conditions and the terms of the Acquisition as are necessary to comply with the provisions of Rule 9.

7. Each of the Conditions shall be regarded as a separate Condition and shall not be limited by reference to any other Condition.
8. Sureserve reserves the right to elect to implement the Acquisition by way of an Offer as an alternative to the Scheme (subject to the Panel's consent (where necessary) and the terms of the Cooperation Agreement). In such event, the Acquisition will be implemented on the same terms and conditions (subject to appropriate amendments including (without limitation) the inclusion of an acceptance condition set at 90 per cent. of the Kinovo Shares (or such other percentage as Sureserve and Kinovo may, subject to the rules of the Takeover Code and the terms of the Cooperation Agreement and with the consent of the Panel, decide, being in any case more than 50 per cent. of the Kinovo Shares), or any amendments required by, or deemed appropriate by, Sureserve under applicable law or any amendments necessary to reflect the Offer). Further, if sufficient acceptances of such Offer are received and/or sufficient Kinovo Shares are otherwise acquired, it is the intention of Sureserve to apply the provisions of the Companies Act 2006 to acquire compulsorily any outstanding Kinovo Shares to which such Offer relates.
9. The Kinovo Shares which will be acquired under the Acquisition will be acquired fully paid and free from all liens, equities, charges, encumbrances, options, rights of pre-emption and any other third party rights and interests of any nature and together with all rights now or hereafter attaching or accruing to them, including voting rights and the right to receive and retain in full all dividends and other distributions (if any) announced, declared, made or paid or any other return of capital (whether by reduction of share capital or share premium account or otherwise) made, in each case by reference to a record date falling on or after the Effective Date.
10. If any dividend, distribution and/or other form of capital return is announced, declared, made, paid or becomes payable by Kinovo in respect of the Kinovo Shares on or after the date of this announcement and prior to the Effective Date, Sureserve will, without prejudice to any right of Sureserve, with the consent of the Panel, to invoke Condition 8(C) in Part A of this Appendix 1, reduce the Consideration by the amount of such dividend, distribution and/or other form of capital return. If Sureserve makes such a reduction in respect of a dividend, distribution and/or other form of capital return, Kinovo Shareholders will be entitled to receive and retain the relevant portion of any such dividend, other distribution and/or other form of capital return (as applicable), and any reference in this announcement or the Scheme Document (or, in the event that the Transaction is to be implemented by means of an Offer, the Offer Document) to the Consideration will be deemed to be a reference to the Consideration as so reduced. Any such reduction by Sureserve referred to in this paragraph 10 will be the subject of an announcement and, for the avoidance of doubt, shall not constitute a revision or variation of the terms of the Acquisition.
11. Except with the Panel's consent, settlement of the Consideration to which any Scheme Shareholder is entitled under the Scheme will be implemented in full in accordance with the terms of the Scheme without regard to any lien, right of set-off, counterclaim or other analogous right to which Sureserve may otherwise be, or claim to be, entitled as against such Scheme Shareholder and will be effected in the manner described in this announcement.

12. No amounts of cash of less than one penny will be paid to any Scheme Shareholder pursuant to the Scheme and the aggregate amount of cash to which a Scheme Shareholder will be entitled under the Scheme will be rounded down to the nearest penny.
13. The availability of the Acquisition to persons not resident in the United Kingdom may be affected by the laws of the relevant jurisdictions. Any persons who are subject to the laws of any jurisdiction other than the United Kingdom should inform themselves about and observe any applicable requirements.
14. The Acquisition will not be made, directly or indirectly, in or into, or by use of the mails of, or by any means or instrumentality (including, without limitation, facsimile transmission, telex, telephone, internet or e-mail) of interstate or foreign commerce of, or of any facility of a national securities exchange, of any Restricted Jurisdiction and the Acquisition will not be capable of acceptance by any such use, means, instrumentality or facility or from within any Restricted Jurisdiction.
15. The Acquisition will be governed by English law and will be subject to the jurisdiction of the Court and to the Conditions and further terms set out in this Appendix 1 and to be set out in the Scheme Document. The Scheme will be subject to the applicable requirements of English law, the Takeover Code, the Panel, the London Stock Exchange (including pursuant to the AIM Rules) and the Companies Act 2006.
16. The Acquisition will be subject to the Conditions and certain further terms set out in Appendix 1 and to the full terms and conditions to be set out in the Scheme Document.
